The following is an examiner's statement of reasons for allowance:

Claim 1 of the instant application recites a combination similar in scope to that recited in claims 1, 3, and 4 of the parent application. The combination was deemed allowable on the Office Action mailed April 10, 2003 of the parent. Specifically, the recited relationship of the recess, arresting section, gripping element, and adjusting element is not shown or taught by the prior art of record. Therefore, for the aforementioned reasons, the claim is deemed allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
